ABOUT THE BOOK: A fun learning adventure for children as 6-year old Leopold learns about his 5 senses with the help of his superhero friends, the 5 SENSETEERS. They embark on a fun-filled journey to shop and bake a cake for his sister's fifth birthday party, all the while teaching your children about their own 5 senses with the help of Mr. Touchovsky, Senor Hearwell, Miss. See, Mr. Budtaste, and Mrs. Goodsmell – the 5 SENSETEERS. Leopold also learns both the meaning of special words, and that although we are all different and offer unique and individual traits, it is much better when we come together and work as one.
